Database Project
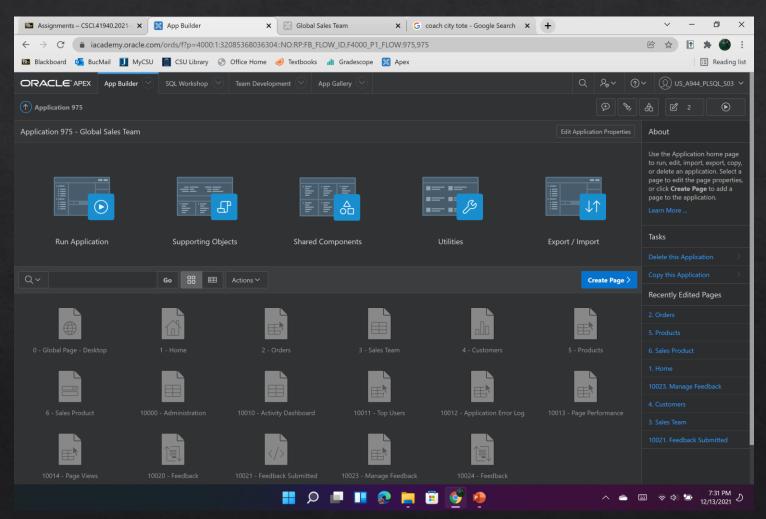

Chamberlain Gibson

What is my Project?
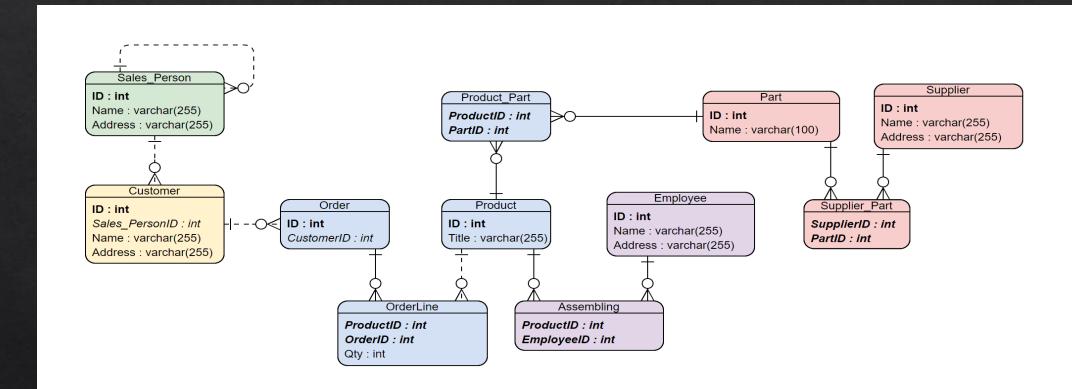

◈ Allows employee access to their personal sales data.

◈ It is a sample database for the Global Sales Team in which they intend to analyze data from their sales team to understand

◈ The product samples are:

    ◈ Coach Women's City Tote in Signature Print

    ◈ PRADA Nylon Crossbody Bag in Turquoise

    ◈ Kate Spade Mulberry Street Lise Satchel

◈ Disclaimer: this is not real data!!!

Source

◈ My project was built on the Oracle APEX

◈ Through uploading data to tables and building these tables to be used in the Application Builder.

◈ Using the Application Builder to display this sample database.
